

F115, mop buckets • Q310, quarts

# Citrus All-Purpose Cleaner

The Original Water-Soluble Liquid Packet™

\* U.S. Patent Nos. 6,037,319; 6,136,776

- **Easy to use • No spills • No waste**
- **Saves space, time and money • Provides job site portion control**
- **Reduces costly employee training • Entire PAK-IT™ dissolves easily in water**
- **Significant environmental source reduction**

## DESCRIPTION

**Citrus All-Purpose Cleaner** is an excellent formulation that quickly removes dirt, grease and grime while leaving the surface film free. Excellent for use on floors, walls, counters, equipment and painted areas. Cleans and deodorizes all washable surfaces. Biodegradable and phosphate-free.

## PACKAGING

### Jumbo-Pak (for quarts and mop buckets)

Product is shipped in an outer carton which contains four **Jumbo-Pak** containers. Each container holds 50 x 45 gram packets for mop buckets or 80 x 12 gram packets for quarts.

Single-shipper carton also available.

### Mini-Pak (for quarts only)

Product is shipped in an outer carton which contains two **Mini-Pak** containers.

Each container holds 20 x 12 gram packets for quarts.

## Mixing is as easy as...

F115 Mop Buckets

Q310 Quarts

## DIRECTIONS

### For quarts - 12 gram packet

- Add one **PAK-IT** to one quart of warm water.
- Shake to mix.
- Spray on surface to be cleaned.
- Wipe off excess product with a clean, dry paper towel or lint-free cloth.
- For heavier accumulations of dirt, grease and grime, use two **PAK-ITS** per quart.

### For mop buckets - 45 gram packet

#### Daily Cleaning

- Add one **PAK-IT** to three-five gallons of water. Mix well.
- Apply solution to surface with mop or scrubbing machine.
- Pickup dirty solution with a squeegee and pickup pan, vacuum or mop.

#### Heavy Soil

- Add one **PAK-IT** to one-three gallons of water. Mix well.
- Follow the above directions

## CAUTION

Do not handle **PAK-IT** with wet hands. Do not remove **PAK-IT** from container prior to use. Store in a cool, dry place.
